Under provisions of the Manual of Requirements for Child Care Centers (N.J.A.C. 10:122), every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families. In keeping with this requirement, the center must secure every parent's signature attesting to his/her receipt of the information. * * * * * Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing (OOL), Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may view a copy of the Manual of Requirements on the DCF website at www.state.nj.us/dcf/providers/licensing/laws/index.html or obtain a copy by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJDCF, Office of Licensing, Publication Fees, PO Box 657, Trenton, NJ 08646-0657.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1 (877) 667-9845. Of course, we would appreciate your bringing these concerns to our attention too.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center. Parents are entitled to review the center's copy of the OOL's Inspection/Violation Reports on the center, which are issued after every State licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the OOL's Complaint

Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review.

Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Our center must post a listing or diagram of those rooms and areas approved by the OOL for the children's use. Please talk to us if you have any questions about the center's space.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available. Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Our center is required to provide reasonable accommodations for children and/or parents with disabilities and to comply with the New Jersey Law Against Discrimination (LAD), P.L. 1945, c. 169 (N.J.S.A. 10:5-1 et seq.), and the Americans with Disabilities Act (ADA), P.L. 101-336 (42 U.S.C. 12101 et seq.). CHILD ILLNESS POLICY

Hoboken Day Care 100 and the child care staff entrusted to care for your child, are concerned with your child's health. In spite of everyone's efforts, children do get sick. Young children, in particular, get sick more often because:

1. their immune systems do not fight illness as well as an adult's and
2. they have not been exposed to many of the germs (viruses, bacteria, fungi, or parasites) that cause infections.

Contagious diseases spread from one person to another. Often, people who spread disease do not look or feel sick. The germs spread by direct contact (touching), by coughing or sneezing, or by germs from the stool (bowel movement).

Maintaining health and preventing the spread of contagious diseases are responsibilities shared by parents, our staff and administration of Hoboken Day Care 100. Our staff is training in illness-prevention practices that limit spread of infections including proper hand-washing and cleaning techniques.

Hoboken Day Care 100 employs procedures for reporting exposures, identifying an ill child, and informing the parent of a child's illness. Parents are responsible for providing up-to-date emergency phone numbers, promptly picking up their ill child (within 60 minutes), and consulting with their child's doctor about diagnosis and care. Parents must inform the center when their child is ill with a contagious disease and should request their pediatrician's cooperation in consulting with the center if the illness has implications for the entire child care program. Any child that has been absent from the center for three or more days **MUST** bring a physician's note stating that they are free of illness and able to return to the center.

These policies are subject to change depending on current health crises, community spread events, pandemics, etc.

Hoboken Day Care 100 reserves the right to exclude your child from care for the following reasons including, but not limited to, if we deem their symptoms to be too severe, if the care of the child is such that it will take away time/attention from the other children in our care or if the child cannot comfortably participate in the daily activities in their classroom. If your child is too sick to go outside you must keep them home for the day. We do not have staff specifically devoted to remaining indoors with a sick child.

The final decision whether to exclude a child from the center will be made by the center director and/or center staff caring for your child. In addition, a doctor's excuse or plan of care may be required by the center director prior to allowing your child to return to the center.

It is usually a good idea to call or consult a pediatric health provider early in the course of an illness. The pediatric health provider will help you determine how sick the child is and what treatment can be given. If your child is sick PLEASE let us know. This will help us to put into place any preventative measures necessary to help prevent the spread of the illness. We understand that parents must work but we must ensure that all of our children in the entire center are cared for.

All policies and procedures listed in this Child Illness Policy must be adhered to by all parents. It is very important to follow these policy rules. They reflect a common respect and responsibility to protect the children from illnesses. Failure to do so may cause an interruption in your child care services or termination of care. All parents are required to sign and date the Acknowledgment of Receipt of the Child Illness Policy, a copy of which will be maintained in your child's file.

Dear Parents,

Attendance is crucial to the day care center operating on a long term basis.

Our parent handbook states that if your child is inexcusably absent for more than three days in one month for two months day care services will be terminated.

Parents are responsible to call the daycare when your child is absent.

Also, a vacation form must be filled out prior to your child's vacation one week in advance for Urban League parents. Make sure you fill out your vacation form correctly and your child returns on the correct date.

Failure to comply will result in termination of your child care services.

PARENT HANDBOOK FOR HOBOKEN DAY CARE 100

HISTORY

Hoboken Day Care 100 is a private non-profit organization that services children ages 0-5 years old.

Hoboken Day Care 100 developed from the dedicated commitment of parents and community representatives in 1970 and became fully incorporated in 1972. In 1972 the City of Hoboken received a HUD Grant to house a number of resources for the community in one building. The City of Hoboken asked Hoboken Day Care 100 to become the resource for subsidized child care. Hoboken Day Care 100 has served many families through subsidized services as well as private day care tuition. We pride ourselves on having a wonderfully diverse student and teacher population that reflects the community that we serve.

Today the Center is licensed to serve 60 children ranging from six (6) weeks to five (5) years of age in three components: Infants, Toddlers and Preschool.

INFORMATION TO PARENTS AS REQUIRED BY THE STATE LICENSING

Under provision of the Manual of Requirements of Child Care Centers (N.J.A.C. 10:22) every licensed child care center in the state of NJ must provide the parents of enrolled children written information on parent visitation rights, State Licensing requirements, child/abuse neglect reporting requirements and other child center matters. The center may comply with these requirements: 1) by reproducing or distributing to parents written statement, prepared by the Bureau of Licensing in the Division of Youth & Family Services (DYFS); or 2) by incorporating the required information in its own handbooks, brochures, or other information materials. In keeping with this requirement, the Center must secure every parent's signature attesting to his/her receipt of this information.

Our center is required by the State of New Jersey Child Care Center Licensing Law to be licensed by the Bureau of Licensing of the New Jersey Division of Youth and Family Services. A copy of our current license must be posted in a prominent location at our center. Look for it when you are in the center.

To be licensed, our Center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations are areas such as physical environment/life safety; staff qualifications, supervision, and staff ratio; program activities and equipment, health, food and nutrition, rest and sleep requirements; parent/community participation; administrative and record-keeping requirements; and others.

Our center must have on the premises, a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, ask any staff member. Parents may secure a copy of the Manual of Requirements for Child Care Centers, for a nominal fee, by writing to the Bureau of Licensing, Department of Children & Families, P.O. Box 717, Trenton, NJ 08625-0717.

We encourage parents to discuss with us any questions or concerns about the policies and program of the Center of the meaning, application, or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our Center may be in violation of licensing standards, you are entitled to report them to the Office of Licensing. Of course, we would appreciate your bringing concerns to our attention too.

Our Center must have a policy concerning the release of children to parent(s) of people authorized by the parent(s) of people authorized by the parent(s) to be responsible for the child. Please discuss with us your plans for your child's departure from the Center.

Our center must have a policy about dispensing medicine and management of communicable diseases. Please talk about these policies so we can work together to keep our children healthy.

Parents are entitled to review the Center's copy of the Bureau of Licensing Inspection/Violation Reports on the Center, which are issued after every State Licensing Inspection at our Center and are available online. If there is a licensing complaint investigation, you are also entitled to review the Bureau's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the Center during the current licensing period. Let us know if you wish to review them as we will make them available to review.

Our Center must cooperate with all Division of Children and Families inspections/investigations. DYFS staff may interview both staff members and children.

Our Center must post its written statement of philosophy on child discipline in a prominent location and make a copy available to parents upon request. We encourage you to review it and discuss any questions or concerns you may have about it.

Our Center must post a listing diagram of those rooms and areas approved by the Bureau of the children's use. Please talk to us if you have any questions or concerns about the Center's space.

Our center must offer parents of enrolled children ample opportunity to participate in and observe the activities of the Center. Parents wishing to participate in activities or operations of the Center should discuss their interest with the Executive Director, who can advise them as to what opportunities are available.

Parents of enrolled children may visit the Center at any time without having to secure prior approval from the Executive Director or any staff member. However, they cannot physically enter the child's specific room, but are allowed to spend a few minutes at the door or window to observe the child. Please feel free to do so when you can. We welcome visits from our parents.

Our Center must inform parents in advance of any outings or special events that take place outside the Center, and must obtain written consent from parents before taking a child on each such trip.

Anyone who has responsible cause to believe that an enrolled child has been or is being subject to any form of hitting, corporal punishment, abusive language, ridicule, harsh humiliating or frightening treatments; or any kind of abuse, neglect or exploitation by any adult, whether working at the center or not, is required by State Law to report the concern immediately to the Division of Youth & Family Services of Child Abuse Control, Toll Free at: 1-800-792-8610, or any District Office. Such reports may be made anonymously.

Parents may secure information about child abuse and neglect by contacting Community Education Office, Division of Youth and Family Services, CN 717, Trenton, NJ 08625.

PARENT AND COMMUNITY PARTICIPATION

Throughout the year there may be special events where parents are asked to bring in items or participate with their children. These events will be announced to families and communication with the Director will follow.

Parents are encouraged to meet and speak directly with their child's teacher when necessary. Keeping open lines of communication regarding issues or concerns helps to ensure that all parties are on the same page with the children's development and progress. Parents can also bring any concerns to the attention of the Director in person or on the Remind App.

Parents are strongly encouraged to participate actively in the program: volunteer your services to the program by helping out in the classroom, supplying food and goods for special occasions, repairing of materials and equipment, share your gifts and talents with the children, share your culture on holidays, help with fundraising activities, spreading the good news about the center to others who are interested or who are in a position to help us financially. If you are handy and can offer services such as building toys, painting, etc. please let the director know. Many hands make light work.

HOURS/FEES

The center is open five (5) days a week, Monday through Friday, from 7:30AM to 5:30PM, twelve (12) months a year. Aftercare is available at an additional cost until 6:00PM. For children ages 6 weeks to 2.5 years old the monthly tuition fee is \$1375. For children ages 2.5 to 5 years old the fee is \$1225/month. There is a \$200/month sibling discount if applicable. After Care fees from 5:30PM-6:00PM are \$125/month. In order to secure your child's spot in the center we

ask for a non-refundable administrative fee of \$200. If you plan to take your child out of the center we ask that you please give us a month's notice so that we can offer a spot to the next family on the waitlist or move children into new classrooms. Prorated rates are available if your child begins after the current month has begun.

ARRIVAL

All children must arrive at the Center by 8:45am to receive breakfast. If a child arrives after 8:45 am we will assume that they have already eaten breakfast at home and they will not receive breakfast. Please remember that we begin Circle Time/learning activities at 9:00 am. Bringing in children after this time is disruptive to not only your child's learning but is also disruptive to the learning of the other children.

AM LATENESS

We will no longer accept children after 9:15AM **AT ALL**. The center has tried to be lenient with this policy but there are some parents who take advantage and bring their children in very late. The only exception to this would be a weather or extreme traffic issue and will be at the Director's discretion.

Please remember that your child coming in late disrupts the classroom schedule and activities planned.

We will only accept a child late to the center if they have a doctor's note, dentist's note or note from WIC with appointment confirmation. If your child is sent home sick the previous day during the morning hours for a fever or other ailment they cannot come back to the center until they are fever/symptom free for 24 hours without medication. If your child is sent home at 1030am the previous day we will not admit them back to the center late the next morning to meet the 24 hour criteria unless they have a doctor's note clearing them to return. If you have a doctor's note you must have your child here by 9am.

PM LATENESS

By 5:30PM, all children must be picked-up, Late charges are as follows: \$20 for the first fifteen (15) minutes after 5:30, and \$5 for each additional five minutes up until 6:30pm., whereupon the Hoboken Police Department and DYFS will be notified and child will be turned over to the Hoboken Police Department. Late fees must be paid by the next business day or your child will not be permitted to attend school until the fee is paid in full. If you are going to be late please call the school at (201)792-4666 and inform the afternoon staff that you will be late to pick up your child.

LATE PICK-UP PROCEDURES

1. A Staff member must supervise the child at all times.
2. The staff member will make every effort to contact the parent(s) or responsible adults who are authorized by the parents to pick-up the child.
3. When a parent or authorized person fails to pick-up the child after 6:30PM (one hour after closing time), and the staff member has exhausted all their resources provided by the parent, a

Hoboken Day Care 100 staff member will telephone the Division of Youth & Family Services 24-Hour Child Abuse Hotline (1-800-792-8610) to inform them of the situation and ask for assistance. The Division of Youth & Family Services will then be informed of the following procedure.

4. After calling the Division of Youth & Family Services, the Hoboken Police Department will be called (201-420-2100) at which point they will intervene.

ATTENDANCE

In order to maintain our funding **Urban League** attendance must be maintained 85% of the time. This means that each child **MUST** attend day care regularly, unless there is an excusable reason for absence. If there is a consistent pattern of absenteeism, without excusable reason, your child **WILL BE WITHDRAWN** from the program.

Private care tuition families do not have to meet an attendance threshold. These families pay a set monthly rate that is due regardless of how many days their child is in attendance.

Children must be at the center by 915AM each day **at the latest**. This is to ensure that your child is in attendance for the most amount of learning time possible and for staffing purposes so we fall within our ratios. The only reason that students will be accepted late will be in the event of a doctor's appointment or a visit to WIC. Children must bring in a note from the doctor's office and/or WIC in order to be permitted to come into the center late. Children will not be accepted after 12:00PM for **ANY** reason. Please schedule appointments early in the morning or later in the afternoon, if possible.

VACATION POLICY FOR STUDENTS

Tuition is based on monthly attendance. As such, Hoboken Day Care 100 does not offer credit for time away from the center due to vacations and/or lengthy illness resulting in a child's extended absence. If your child is attending daycare under Urban League of Hudson County vouchers you must be aware of your contractual obligations as to what money you will owe the center as per their guidelines if you exceed the allowable time away.

HEALTH AND COMMUNICABLE DISEASES

Parents must provide the office with a record of the child's compliance with immunization requirements set forth by the State of New Jersey. Children whose shots are not up to date cannot attend Hoboken Day Care 100.

The health and safety of all children is our primary concern. If your child has one or the following illnesses and/or symptoms of illness, he/she will be separated from the group and possibly sent home: severe pain or discomfort, acute diarrhea, acute vomiting, sore throat or severe coughing, elevated oral temperature of 100.4 degrees F or over, axillary temperature of 100.4 degrees F or over in conjunction with behavior changes, yellow or jaundice eyes, red eyes with discharge, infected/untreated skin patches, difficult or rapid breathing, skin rashes, weeping or bleeding skin lesions. Swollen joints, visibly enlarged lymph nodes, stiff neck, blood

in urine or stool. Sickness policies subject to change depending on current health crises, community spread events, pandemics, etc.

If your child is absent from daycare three (3) consecutive days due to any type of illness, your child will not be able to return to the Center unless accompanied by a statement from your child's physician indicating that your child is able to return. Further, your child will not be readmitted to the Center unless accompanied by a statement from your child's physician if your child contracts one of the following communicable diseases: tuberculosis, whooping cough, giardia lamblia, hepatitis A, salmonella, shingles, impetigo, and scabies. Please see the Illness Policy booklet that you received upon enrollment. Policy is also available on the website at hobokendaycare100.com under Important Information.

Please also note, if the staff feel as though your child cannot participate in the daily activities even though they do not have physical symptoms of illness you may receive a phone call asking that your child be picked up.

EMERGENCIES

A parent will receive an emergency phone telephone call if your child has one or more of the following ailments: 100.4 fever, vomiting, diarrhea, or has been complaining of some other unobserved pain for a period of time. We expect that you make arrangements to pick-up your child as soon as possible. Please make sure we have the most current phone numbers. The NJ Office of Licensing allows for one hour for the child to be picked up from the center.

MEDICATION

In order to administer **prescription medication** to your child, we must have a letter from your child's physician authorizing Hoboken Day Care 100 to administer the medication. The medication must be in its original packaging and be clearly labeled with the child's correct name, the dosage, the times at which the medication will be given and the name of the medication. After a designated person administers the medication, a sheet will be signed by the staff member along with the parent's signature acknowledging that the medication was administered. Medication that is old or outdated or that belongs to someone else will not be given to any child. **Over the counter medications** also require a sheet to be filled out by the parents. We have extra forms on hand by the front desk so if you do not have one you will have to fill it out completely before leaving so that we can give your child the medication. Please do not leave any medication in your child's cubby or back-pack, all medications, including over the counter medications, must be kept in the administrative office. Everything must be labeled for your child.

POLICY ON THE RELEASE OF CHILDREN

Each child may be released only to the child's custodial parent(s) or persons authorized by the custodial parent(s), to take the child from the Center to assume responsibility for the child in the event of an emergency, if the custodial parent(s) cannot be reached.

A child shall not be visited by or released to a non-custodial parent unless the custodial parent(s) specifically authorizes the Center to allow such visits or releases in writing, this written authorization, including name, address, telephone number and photo identification that shall be maintained on file. If a non-custodial parent has been denied access to a child by a court order, the Center shall secure documentation to that effect and maintain a copy of that information on file.

Written procedures to be followed by every staff member if the parent or person authorized by the parent as specified above, fails to pick-up a child at the time of the center's daily closing: Late pick-up procedures as mentioned earlier will be followed.

Written procedures to be followed by a staff member if the parent or authorized person by the parent, appear to be physically and/or emotionally impaired to the extent that, in the judgment of the Executive Director and/or staff members, the child be placed at the risk of harm if released to such an individual. The procedure requires the following:

1. The child may not be released to such an individual.
2. Staff member attempts to contact the child's other parent or authorized persons by the parent(s).
3. If the Center is unable to make alternate arrangements, as above noted, a staff member shall call the Division of Youth & Family Services Hotlines (1-800-792-8610) to seek assistance in caring for the child.

ESCORTS

In the absence of the parent, an adult escort whose name is on the Escort List for a particular child may bring and pick-up the child. Children cannot pick-up other children. If you have a change in authorized escorts, you must notify the office in writing or notify Suzanne on the Remind App. If you are unable to do so in the event of an emergency, YOU MUST TELEPHONE THE CENTER. Proper identification of the escort is required. Identification must be a picture ID. No child shall be permitted to leave with an escort if in our judgment that escort seems impaired by either drug or alcohol or seems abusive to that particular child. Your child's safety is our main concern.

TELEPHONE NUMBERS

You must notify the office of any changes in the telephone numbers: home, cell, work, and emergency numbers. This is most important if it is necessary to call you in the event of an emergency. Emergency Contact Lists will be updated every year in January. If you have changes after such time you must inform the office.

FEES

All day care fees are due on the first of the month. The center accepts cash, money order, bank checks or personal checks. We do not accept credit/debit payments. If the first of the month falls on a weekend or holiday payment is due the first day that the center reopens. As a courtesy, HDC100 will provide you with a reminder invoice a week before payment is due. Fees

need to be paid in a timely manner. If a pattern of non-payment of fees is shown, your child may be suspended from the daycare at the discretion of the Director. If you bounce a check you will no longer be allowed to pay tuition via personal checking account. You must then pay with a bank check, money order or cash. You are also responsible for the bounced check fee. If you require an invoice for work related child care subsidy please let the administrative staff know.

DISCIPLINE POLICY

1. Each classroom teacher will discuss and reinforce “classroom rules” through circle time activities, role playing, socialization activities, visual aids such as picture study, films and through songs.
2. Teachers will set limits in the classrooms, while encouraging and rewarding positive behavior.
3. If the child exhibits negative behavior, the child will be spoken to in a calm, yet firm manner.
4. If a child persists in disrupting the normal activities of the classroom, the teacher will separate that child from the rest of the group by designating a “Time Out” area with a chair for that child. The “Time-Out” period will be 1 minute for every year of the child’s age. During that time, the child will not be allowed to use: any materials: or to communicate with other children.
5. If a disruptive behavior of a child becomes consistent and disrupts the classroom management and daily classroom routines, the teacher will consult the Executive Director. They will offer positive discipline suggestions and techniques. They will observe the children in the classroom. The teacher will record daily observations of the child in the classroom.
6. If the child’s behavior does not improve, the Executive Director, and the teacher will schedule a conference with the child’s parent(s) and teachers. The conference will include discussing effective and consistent methods to be used to remediate the child’s behavior problem.
7. The teacher will inform the Executive Director and the Administrative Staff and parent(s) of the child’s progress through conferences and written evaluations.
8. In a situation, where the child causes injury to self or to other children, the Executive Director and the Administrative Staff will offer recommendations to parents for referrals and or evaluation of the child. Until such time that evaluation is not made, the Center reserves the right to suspend or terminate services to the child.
9. Termination should be a last resort when all other efforts; including parent conferences, have been exhausted.

GENERAL PROCEDURE

1. Under no circumstances should teachers discuss a child’s negative behavior with the parent without confronting the Executive Director first.
2. There will be no physical punishment of any kind to any child.
3. Positive reinforcements and rewards will be used for discipline rather than negative statements and punishments.
4. Children learn through repetition. Children should be reminded of expectations on a regular daily basis.
5. Teachers will not discuss a child’s negative behavior in front of a child, other children or other parents.
6. No food or rest shall be denied to any child because of behavioral problems.

EMERGENCY CLOSURE/EARLY CLOSURE

Hoboken Day Care 100 **does not** always follow the closures called for by the Hoboken Board of Education when it comes to snow days. We will handle snow storms on a case by case basis. Parents will be notified on our website (hobokendaycare100.com), on our Facebook page and via the Remind App. It is your responsibility to check these sites to find out the latest information. In the event of a snow emergency later in the day, the center can close early. If we decide to close early, parents will be notified upon arrival what time the center will be closing if a decision has already been made. If it is decided later in the day that we must close early the center staff will begin making phone calls two hours before the scheduled closure time. It is important that telephone numbers and emergency numbers are always accurate. You must be on time to pick up your child. We have to take into account the safety of not only our students and families but also our staff who may not live in the immediate area. Please make sure you have reliable family/friends listed on your emergency paperwork in the event you cannot get to the center by the decided time. If you are late for pick up on an early closure day late fee fines will go up from regular late fee prices by 50%. Snow closure late fees are assessed at \$30 for the first 15 minutes late and \$7.50 for each additional 5 minutes late until one hour past the closure time. We never have delayed opening at the center. If your older children have to report to school late we still expect that children attending our center arrive by 915AM for staffing purposes.

CLOTHING

It is required that at least one full change of clothing (including underclothes) must be in your child's cubby at all times. Please make sure that all clothing worn by your child or left in the cubby is properly labeled with your child's name.

TOYS

Please keep your child's toys at home. When a child brings a toy to the Center, it causes problems in the classroom. We have enough toys and equipment to keep the children learning and happily busy. We must be very strict about this policy. If your child needs a security blanket or small stuffed animal I will make an exception. Thank you for your cooperation in advance.
